Society for Advancement of Library and Information Services (SALIS-Delhi-NCR)

Venue

Jaypee University of Engineering and Technology, Raghogarh, Guna (MP), India

CALL FOR PAPERS

We are glad to inform you that the 3rd International Symposium on "Emerging Trends and Technologies in Libraries and Information Services" will be held at 'Jaypee University of Engineering and Technology, Raghogarh, Distt-Guna (Madhya Pradesh) during 26-27 October, 2012.

The Main theme of this International Symposium will be 'Emerging Trends and Technologies in Libraries and Information Services'. This symposium is the third of its series, previously held at JIIT- Noida (18-20 December, 2008) and JUIT Waknaghat (June 3-5, 2010) and now being organized at JUET campus in Madhya Pradesh. The theme is quite relevant to the need of current information society where the Information and Communication Technology (ICT) has transformed the face of traditional library and the interests of its users. This symposium will provide a platform for librarians, information professionals and IT intellectuals to share their views and ideas on the recent developments, activities and applications in the Library and Information Services. Eminent speakers from the International arena and the Indian subcontinent will take part in this symposium to present research papers, key note addresses, poster presentations, and panel discussions. Papers are invited on any of the following subthemes:
